No

Yes If yes, provide website link (or content from brochure) where this specific information is presented

The University of Notre Dame Doctoral Internship Program in Health Service Psychology offers a full-time, 12-month internship for three doctoral-level graduate students in accredited programs in counseling or clinical psychology. The internship begins in early August, and requires a commitment of 40 hours per week

The University Counseling Center considers applicants from APA or CPA accredited doctoral programs in counseling or clinical psychology. Selection criteria include interests and goals appropriate to the internship program, evidence of necessary emotional maturity and stability, interpersonal skills appropriate to the professional practice of health service psychology, ethical conduct, a sound theoretical and academic foundation for effective clinical work, skill in translating theory into integrated practice, and demonstrated sensitivity to multicultural issues.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Hours Minimum **Yes**

Amount: 400*

Total Direct Contact Assessment Hours **No**

Amount: N/A

Describe any other required minimum criteria used to screen applicants:

- have seen a minimum of 20 Adult Clients (Intervention)
 - have passed doctoral comprehensive examinations by the application deadline
 - are admitted to doctoral candidacy by the start of the internship, i. e. have completed all graduate coursework and have proposed the dissertation prior to arrival at the internship site.
- * Applicants with less than 400 direct contact hours may be considered due to factors related to the COVID-19 pandemic.
